

MEMORANDUM NO. ILCD MFRM 26 - 003

TO : Deans, Directors, Heads of Academic Units and Faculty Members

FROM : **MIGUEL FRANCISCO M. REMOLONA, Ph.D**
Director

THROUGH : **MARIA VANESSA JOYZON, PhD**
Vice Chancellor for Academic Affairs

SUBJECT : **Scheduled UVLe System Transition and Maintenance**

DATE : **11 June 2026**

We would like to inform the University community that the University Virtual Learning Environment (UVLe) will undergo scheduled server maintenance and system transition from **June 12, 2026 to June 15, 2026**.

In line with [Memorandum No. ILCD-MFMR-25-005 - Launch of the New UVLe](#), the current UVLe '22 platform, accessible at uvle.upd.edu.ph, will be transitioned to the newer UVLe '26 platform, currently accessible at bagong-uvle.upd.edu.ph. Please note that users of UVLe '22 need not be concerned, as access to UVLe '22 will remain unaffected throughout and after the transition. Upon completion of the transition, UVLe '26 will become the University's official Learning Management System (LMS), and the following changes will take effect:

UVLe Version	Current URL	New URL
UVLe '22	https://uvle.upd.edu.ph	https://old-uvle.upd.edu.ph
UVLe '26	https://bagong-uvle.upd.edu.ph	https://uvle.upd.edu.ph

During the maintenance period, **UVLe '26 will be unavailable to all users**.

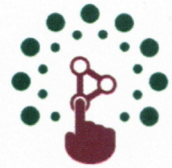

We would also like to inform everyone that the CRS Integration is currently unavailable due to the upgrades to CRS that were done by the CRS team. As a result, automatic synchronization of courses, class lists, and enrollment data between CRS and UVLe is temporarily unavailable. We are still in the process of fixing this issue.

To assist users in preparing for UVLe '26, migration guides, training materials, and tutorials highlighting the platform's key features and enhancements are available through the **Tutorial Courses** menu.

Additional information regarding the final maintenance schedule will be released prior to the maintenance activity.

We appreciate your patience and cooperation as we work to provide a more reliable and enhanced learning environment for the University community.

We are also pleased to announce the official launch **Kolektibong Online Network para sa Edukasyon at Komunikasyon** or **KONEK** accessible at <https://konek.upd.edu.ph>, the University of the Philippines Diliman's Open Learning Management System (Open LMS).

KONEK is an open, community-powered learning platform inspired by UP Diliman's UVLe. With just an email address, anyone can explore curated courses, learning objects, and resources created by educators across the Philippines, and learn anytime, anywhere, at their own pace.

The UP Diliman community is invited to explore and utilize Konek as part of the University's continuing commitment to innovation, lifelong learning, and knowledge sharing.
